

FOR IMMEDIATE RELEASE31th December 2012**A Winning December for Loscam Greater China**

This December, Loscam Greater China received two prestigious industry awards from China's semi-governmental associations to recognize Loscam's achievements in China market. Earlier in Oct, Loscam was awarded 'the Most Favoured Technology & Equipment Provider by China's Outstanding Logistics Enterprises'.

'China Top 30 Pallets Enterprises (Pallet Leasing) Award', regarded as the highest prize in China's pallet manufacturing & services industry, was jointly announced by Asia Pallet System Federation and China's most influential pallet association, the Pallet Professional Committee of China Federation of Logistics & Purchasing. Being the leading pallet pooling service provider in China, Loscam is highly credited by the associations for its great contribution in powering pallet pooling model in China.

Further recognizing Loscam's innovation & contribution to China's newly-emerging cold chain logistics industry, Loscam was also awarded 'Top 10 Service Providers for Warehouse Technology & Equipments' in the cold chain industry jointly by China Logistics Technology Association and China Federation of Logistics & Purchasing.

Since China Merchants' acquired Loscam in July 2010, Loscam has accelerated its expansion in China market, with a total number of 13 depots & regional offices servicing all but the remotest parts of China.

The dual awards are the market's recognition of Loscam's leading position in the industry, as the market leader in providing pooling solutions in China.

About LOSCAM

LOSCAM is a leading provider of Returnable Package Handling (RPH) solutions for use across Asia Pacific. Loscam is focused on delivering high quality, efficient and environmentally sustainable solutions, which has led to a position of leadership in the manufacturing and retail sectors. The business was established in the 1940s in Australia and the mid 1990s in Asia. Loscam's focus is primarily on the hire of wooden pallets and the provision of returnable packaging solutions in the manufacturing and retail ready space.
