Loscam Plastic Pallet

Loscam focuses on delivering high quality, efficient and environmentally sustainable returnable packaging solutions that helps our customers store and move products through supply chains across the Asia Pacific.

Our unique pooling models enable trading partners to share Loscam equipment enabling conversion of fixed costs to variable costs. The specially developed Loscam Online allows customers to track equipment movement through their supply chain.

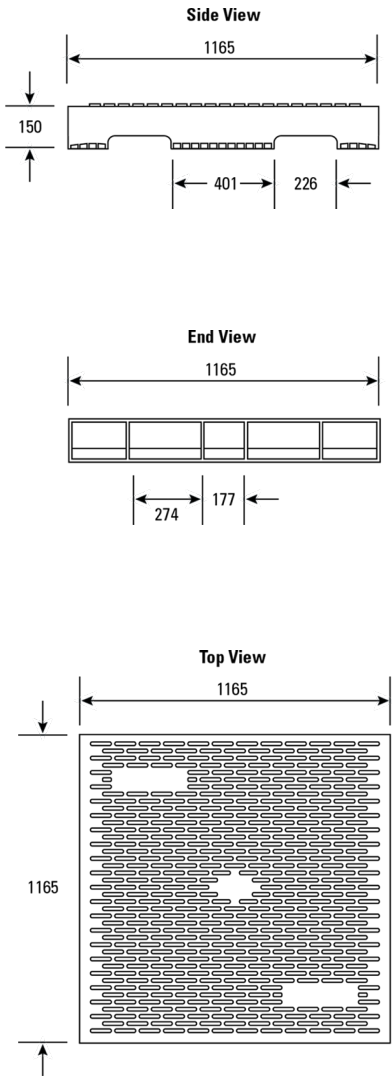

Loscam’s network of depots are strategically located to ensure availability of our products and service at the right time, at the right place and for the right price.

Benefits:

- Do not absorb moisture or contaminants
- Corrosion proof construction (can be steam cleaned/ chemically sterilised/ hot washed)
- Complies with Australian standards and regulations
- Slip sheeting compatible - ideal for product transfer
