Loscam Beverage Tray

The Loscam Beverage Tray has been designed for last flow production and multiple bottle types in the market.

Ideal for storing, moving and displaying beverage products direct to retail floor, the beverage tray reduces handling, improves product quality and increases replenishment efficiency.

Benefits:

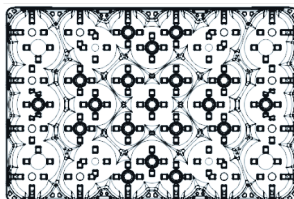

- Support all classes of PET bottles, such as 1.25 L to 2.25 L
- Light weight, hygienic and durable
- Easy handling for store teams, easy access for shoppers
- Eliminates the need for secondary packaging
- Tray is a shelf in itself, and provides a tidy-exposure - "One Touch Merchandising" - from the bottler to the shop
- Safe and secure load is achieved via the innovative locking grips between the tray and the bottles
- Eliminates the need for shrink wrapping of pallets through using alternate strapping solutions
- Compatible with Loscam display pallets
