Loscam Pallet Cage

The Loscam Pallet Cage has been developed with the particular needs of our customers in mind. Ideal for storing and moving difficult to handle freight or freight high in value that require additional protection.

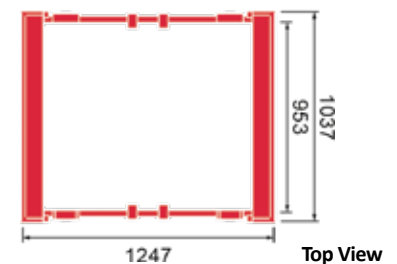

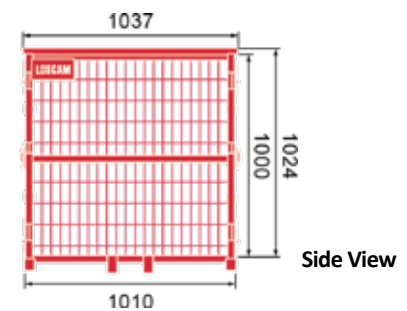

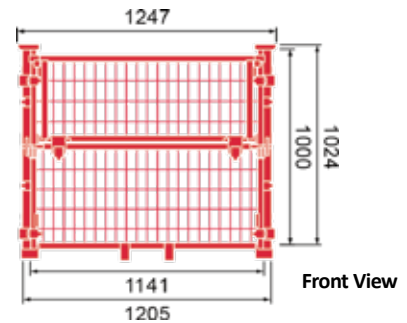

For long term hire arrangements, the Pallet Cages are able to be configured for individual needs.

Benefits

- Retail friendly with fold-down sides to enable consumer access to products
- Reduced need for outer packaging materials, such as shrink film, which decreases wastage and reduces carbon footprint
- Connects easily to existing pallets and collapses for efficient reverse logistics
- Easy to disassemble, fold and store to save space and recovery cost
- Stackable and stable allowing vertical product storage solution in warehouses and in transport
- Stacking plates designed for easy forklift stacking and improved handling efficiency
- Maximises cube utilisation of vehicles
- Modular design, repairable and replaceable parts to reduce maintenance costs
- Optional accessories like shelf and mat to meet customer's logistics operations
