Loscam Pallet Cage

The Loscam Pallet Cage has been developed with the particular needs of our customers in mind. Ideal for storing and moving difficult to handle freight or freight high in value that require additional protection.

For long term hire arrangements, the Pallet Cages are able to be configured for individual needs.

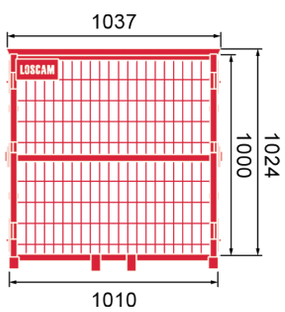

Benefits

- Designed with half gate drop sides, making it easy for customers to access products
- Reduces need for extra packaging, cutting waste and carbon footprint
- Fits standard pallets and folds flat for easy returns
- Easy to disassemble and store, saving space and costs
- Stackable and sturdy for vertical storage in warehouses and transport
- Equipped with stacking plates that improve forklift handling and safety
- Helps maximize the use of vehicle space for cost-effective deliveries
- Modular design, parts can be repaired or replaced easily, reducing maintenance expenses
- Offers optional accessories like shelves and mats to suit different logistics needs
