Loscam IBC I6

The Loscam Foldable Intermediate Bulk Container (IBC) - I6 has been developed in conjunction with global food and beverage companies to provide a best-in-class bulk handling solution.

Similar to the Loscam Wooden Pallet, the Loscam IBC I6 is the lightest IBC in the market providing our customers advantages in manual handling and gains in transport efficiency. With its unique integrated lid, the IBC assists our customers in the handling and tracking of rented units.

Benefits:

- 15% lighter than other IBCs in the market without compromising strength
- ISO container compatible, 4-way pallet entry
- Chemical resistant
- Translucent front panel with 50 litre increments
- Lockable on discharge outlet & lid, tamper proof lid with unique lid latch
- Maximum discharge of product enabled by low level discharge outlet
- Unique one piece design with hinged lid for ease of handling and better equipment control
- Modular design maximises efficiency of storage and transport space
- Suitable for both a 2 and 3 inch discharge valve bags
- Can be enabled with a Loscam Track & Trace locational device, connected to the Loscam Live tracking platform

Specifications:

Overall Size: External - 1165 mm(L) x 1130 mm(W) x 1100 mm(H)
Internal - 1090 mm(L) x 1045 mm(W) x 930 mm(H)
Collapsed - 1165 mm(L) x 1130 mm(W) x 360 mm(H)

Tare Weight: 131 kg

Max Gross Weight: 1600 kg
