# LOSCAM Online

Loscam Online is a web based program exclusively developed to provide customers with a system that effectively assists with the management of Loscam hire equipment.

Customers nominate an administrator within their business to manage multiple user access including the ability to assign the security level and Loscam account numbers.

Training and support is provided by the Loscam Customer Service team.

## Benefits:

- Equipment Management
  - Generate transfers
  - Client pre-set delay arrangements, offering automatic delay day calculation
  - Multiple equipment types
  - Option to correct transfers
  - Submit Issue and Dehire authorisations
- Electronic Reconciliation
  - Electronically reconcile transfers processed by Loscam, against transfers keyed by Loscam Online users.
  - On screen reconciliation providing details of un-reconciled transfers.
  - Option to electronically submit a correction or rejection.
- Account information
  - Access to transactional history and docket search
  - Error docket listing and the management of transactions in error
  - Download statements and invoices
  - Product and invoice balances updated daily
- Advanced Reporting
  - Graphical Drilldown – 12 month transactional analysis
  - Transaction reports
  - Reconciliation reports
  - Option to export all reports into Excel
- User Access Flexibility
  - No installation required
  - Available 24/7 via the internet
  - Password protected
  - Multiple user access
  - The option to set up varying security access levels
